

Invisara, LLC

Revealing Hidden Potential for Project and Operational Success™

Who is Invisara?

Invisara, LLC delivers expert program management and consulting services with a focus on process efficiency, IT transformation, compliance, and risk control. Backed by over two decades of experience, we improve operational outcomes, enhance program visibility, and strengthen decision-making. Our strengths include vendor coordination, governance frameworks, and system alignment across highly regulated environments.

Core Competencies

- **Program & Project Management** – Structured delivery with clear milestones and stakeholder alignment.
- **Process Optimization** – Eliminate bottlenecks using SOPs, automation, and efficient workflows.
- **Governance & Risk Management** – Implement controls that reduce risk and ensure consistency.
- **Operational Efficiency** – Design lean systems that boost productivity and cross-team execution.
- **Training & Capacity Building** – Deliver PM training through The Hive and SBA-partnered ODU programs.

Differentiators

- **Built for Lean Teams:** We deliver structured, scalable solutions tailored to small and mid-sized teams with limited internal capacity.
- **Execution-Focused:** More than advice—we implement, train, and optimize to ensure lasting results.
- **Tool-Agnostic & Practical:** We recommend only what fits your goals—no vendor bias, no unnecessary complexity.
- **People-Centered Change:** We embed stakeholder alignment and adoption planning into every engagement to reduce friction and drive success.

Past Performance Highlights

Enterprise Program Lifecycle Implementation: Deployed a structured program lifecycle across 200+ programs, centralizing workflows and automating reporting to support \$900M+ in gross premium revenue. Established governance, improved visibility, and streamlined execution.

- **Client Feedback:** “...Lisa successfully led the Program Managers Operating Committee... her exceptional planning, leadership and problem-solving skills made a significant impact...” — Cyndi McAndrew

Multi-Carrier ISO Compliance: Led compliance efforts across all 50 states and multiple insurance entities, integrating regulatory changes into underwriting and policy platforms. Delivered cross-team alignment and audit-ready systems.

- **Client Feedback:** “...Lisa was unafraid to do the difficult work of explaining project dependencies... one of the best practitioners of the ‘art’ of project management...” — Neil Greiner

Proposal Workflow Optimization: Redesigned proposal administrative process, reducing workflow time from 2 hours to 5 minutes. Standardized templates, SOPs, checklists, and tracking tools enhanced compliance and collaboration.

- **Client Feedback:** “...She zeroed in on key areas to improve... I’m already saving a ton of time — which is so important as I focus on doing what I do best...” — Tina Bove
